Challenge 3: A REFLECTION CHALLENGE!

Think back to your learning at school and set yourself a target for September. You could have a look at the targets that were on your report. Try and think about these questions:

What would you like to get better at next year?

What could you do to improve your talent/learning?

What did you try hard at last year?

Challenge 2: A TEAMWORK CHALLENGE!

For this challenge you need to work as part of a team. Perhaps you are part of a football or rugby team? Maybe you and your family work as team to put up your tent when you go camping. Show us how you have been a Teamwork Tiger in the holidays.

My teamwork challenge is: _____

I am a *team player* because _____

Challenge 1: A PERSONAL CHALLENGE!

Set yourself a challenge to do something that you have not done before or something you find really tricky... and have a go. Can you keep trying even when it gets tough? Show us you can be just like our Perseverance Parrot. Your challenge is your choice but make sure that you are *safe* and *sensible* about what you choose to do.

My personal challenge is: _____

I *persevered* because _____
