

Maths

This half term we will be learning to:

- Have a deep understanding of number to 10, including the composition of each number.
- Automatically recall number bonds up to 5 (including subtraction facts) and some number bonds to 10, including doubles facts.
- Compare quantities up to 10, explore and represent patterns and verbally count beyond 20.

We will also solve problems including doubling, halving and sharing.

Everyday maths:

The children access our maths areas as part of their own independent learning, giving them a range of exciting open-ended opportunities to extend their thinking and explore their mathematical fascinations through open-ended play.

Physical Education

The children will have one PE session each week. This will be outdoors, weather permitting. This term we will develop skills of balancing and coordination. We will use ball skills with developing competence and accuracy. We will play cooperatively, take turns and follow instructions to play games fairly.

Class 1 and 2 PE: Thursday

Please ensure that your child wears their PE kit to school on their PE days. This includes trainers, joggers or shorts and a t-shirt and a sweatshirt or hoodie if it is a cooler day. Please be reminded that earrings cannot be worn in PE and long hair must be tied back. Unfortunately, we cannot remove earrings from your child, so please remember to do so on the required days.

Forest School

This half term we will be creating art using natural materials. We will hunt for plants, minibests and animals looking after them carefully. We will model and encourage the children to use accurate scientific vocabulary for living things. Forest School sessions may include active games, creative activities and teach the children about managing risks, outdoor safety and how to care for the natural world. All children will need to come to school in their usual school uniform on Forest School days, ensuring that their arms and legs are covered. School trousers and a top with a cardigan/sweatshirt is ideal. If the weather is wet, we will provide your child with an all-in-one suit to wear. If you have your own suit, please feel free to send it in with your child in a named bag.

Please use our class welly racks to store boots.

Class 1 and 2 Forest School: Tuesday

Reception Staff:

Mrs Eagle
Class Teacher in Class 1 and EYFS Team Leader
(Mon-Fri)

Mrs Booth
(Thurs and Fri)

Mrs Wiltshire
(Mon-Wed)

Mrs Sabey
(Thu/Fri)

Class Teachers in Class 2

Our Teaching Assistants:

Mrs Cronk, Mrs Orledge, Mrs Tapuc and Mrs White

Collection arrangements

Please update us if collection arrangements change as we do take the safety of our children very seriously. This can be done via a telephone call to the front office or a message in person when dropping off your child.

If a person is to collect your child regularly, please update our records by sharing their name and contact details with the office.

Reception Learning Leaflet Summer Term Two 2025

Phonics

Through our daily phonics lessons, we will learn to:

- Read and understand simple sentences.
- Use our phonic knowledge to segment regular words for both reading and writing
- Read and write some common exception words
- Continue to recognise and say the phonemes: **s a t p i n m d g o c k c k h b f f e u r l l s s w x y v j z z z qu**
- Recap on taught phonemes: **sh ch th ng ee or igh ai oa ar long** and **short oo er ur ow oi ear air ure**
- Begin to read and write words that include 2 and 3 consonant clusters e.g. flower, street, splash

PSHE

In our PSHE (Personal, Social, Health, Education) unit 'Healthy Lifestyles' we will be thinking about how we can stay healthy in both body and mind. In the 'My Body and Growing Up' unit we will explore issues around growing up, thinking about how our bodies have changed since we were babies and talking positively about our body's capabilities.

Literacy

This half term we will be learning to:

Comprehension and Word Reading

- Read and understand simple sentences, including some common exception words.
- Demonstrate understanding when talking with others about what we have read

Writing

- Spell words by identifying sounds in them and representing the sounds with a letter or letters.
- Write simple phrases and sentences which can be read by others

Communication and Language

- Listen to stories, anticipate key events and respond to what we hear with relevant comments, questions and actions
- Make comments about what they have heard and ask questions to clarify their understanding.

Key text: The Three Little Pigs – Traditional tale

Reception

Welcome to our Reception Learning Leaflet for the second half of the Summer term. This page, along with our enquiry organiser, will give you all the information you need in order to support your child in Class 1 and Class 2 this term.

We have many exciting things planned for the continuation of our whole school theme...

'Great Explorers'

Homework

Homework is sent home each week via **Tapestry** and consists of challenges (linked to current learning) that your child can present in their own way. It will be posted as a joint observation on Tapestry each **Friday** and needs to be completed and uploaded by yourself as an observation for your child by the following **Wednesday**. Please support and encourage your child when they are doing their homework, although it should primarily be their own work. Work will be viewed by class teachers and comments may include numbers in boxes, depending on the effort that has been made. Your child would also significantly benefit from daily reading with you at home. Please access our online reading resource 'Bug Club' as often as possible, aiming to read 1-2 new books each week. Please post videos, photos and comments of their reading on Tapestry too!

R.E

In our R.E (Religious Education) sessions we will be exploring how Christenings are celebrated in Christianity and Islam. Children will participate in a Christening ceremony role play and make a special card to celebrate the birth of a new baby.
