Forest School

This term in our weekly Forest School sessions we will explore signs of spring when learning about the different seasons and share what we know in different ways. As always, we will encourage active play in Forest School with a range of songs and games, linked to nature and weather. We will develop our construction skills when erecting dens, working as Team Work Tiger, thinking carefully about making these stronger and more stable as part of our DT curriculum. Children will be provided with an all-in-one waterproof suit to wear **over their usual school uniform**. We suggest that all children wear trousers on Forest School days so they are comfortable in the suits. Please use our class welly racks to store boots.

Year 1 Learning Leaflet Summer Term One 2025

Welcome to our Year 1 Learning Leaflet for the first half of the Summer term. This page, along with our enquiry organiser, will give you all the information you need in order to support your child in Year 1 this term.

We have many exciting things planned, including our Sparky Start Brazilian drumming and carnival dance as part of our geography about:

Brazil

- understand that ie can make /ee/ in words like chief;

Don't forget you can find a copy of our CEW and phonic mats on our school website: [Welcome to Hartford Infant School - Hartford Infant School](https://www.hartfordinfantschool.co.uk/)

Homework

Homework will be sent home each week via a **homework book** and consist of phonics, spelling and/or maths challenges. It will be sent out each **Friday** and needs to be completed by the following **Wednesday**. Please support and encourage your child when they are doing their homework, although it should primarily be their own work. All work will be checked by the class teacher and stamped with an Aim High Hippo. Your child would also significantly benefit from daily reading with you using the book sent home in their bookbag and/or **Bug Club** to reinforce the phonics and reading skills they are learning in school. The children can also access Numbots. Pop in to the school office if you have forgotten any of these details.
