Measurement – Money • Recognise and use signs for pounds (£) and pence (p) • Combine amounts to make a value. • Recognise and know the value of different denominations of coins and notes • Solve simple problems in a practical context involving addition and subtraction of money of the same unit, including giving change. Maths gym This half term we will be learning our: • All the ways to make 7,8 and 9. We will solve missing number problems. We will understand numbers above 10 by thinking of the structure of 10 and a bit.	Year 2 Staff: Mrs Smith Mrs Smith Class Teacher in Class 5 Mrs Beecher Class Teacher in Class 6 Our weekly planning time (PPA) in Year 2 every Thursday will be covered by Mrs Richards and Mrs Rankin Our Teaching Assistants: Mrs Whitham, Mrs Hammond, Mrs Gould and Mrs Webb Collection arrangements Please update us if collection arrangements change as we do take the safety of our children very seriously. This can be done via a telephone call to the front office or a message in person when dropping of your child.	English Image: Constraint of the second straint of the second st
Physical Education In Year two the children will have one PE session each week. This will include both indoor and outdoor PE. Class 5: Monday Class 6: Friday Please ensure that your child wears their PE kit to school on their PE days. This includes trainers, joggers, shorts, t-shirts and a sweatshirt. Please be reminded that earrings cannot be worn in PE and long hair must be tied back. Unfortunately, we cannot remove earrings from your child, so please remember to	Year 2 Learning Leaflet Autumn Term Two 2023 Welcome to our Year 2 Learning Leaflet for the second half of the Autumn term. This page, along with our enquiry organiser, will give you all the information you need in order to support your child in Year 2 this half	PSHE In our PSHE unit 'Healthy Lifestyles' the children will be developing their awareness, knowledge and understanding of the importance of being healthy. They will identify food groups and learn that to stay healthy they need to eat a range of different foods. As well as our physical health we will be thinking about our emotional health. Our Anti Bullying work focusses on understanding the characteristics of bullying, considering why bullying happens, how it feels to be bullied and the impact bullying has. We will then discuss strategies for keeping safe and how we can support children who have been bullied. RE During this half term we will be learning about the different religious festivals of Eid ul Fitr, Diwali & Christmas. We are learning to know that Muslims observe Ramadan and why, Christians observe advent and the
do so on the required days. Forest School	term. We have many exciting things planned, including a fashion show to start off our history unit: Wash Day	meaning behind this and identify the similarities between them. Also, that Muslims fast during Ramadan, Hindus worship at home as well as at the temple. We are learning to be able to answer the questions 'what can you tell me about Christmas carols?' & 'Why do Muslims observe Ramadan?' We will write a Christmas carol and design rangoli patterns.
During the autumn term, we will be observing seasonal change, comparing autumn and winter, and exploring what we can do on our forest school site. We will hunt for plants and minibeasts, using collection pots, observational drawing, labels and pictograms to present what we find, and always encourage the children to use accurate scientific vocabulary for these living things. We will include active games and teach the children about managing risks, outdoor safety and how to care for the natural world. Children will be provided with an all-in-one waterproof suit to wear over their usual school uniform. We suggest that all children wear trousers so they are comfortable in the suits. We ask that all children bring in a pair of welly boots. Please use our class welly <u>racks</u> to store boots. Class 5: Friday Class 6: Monday	 Through our daily phonics lessons we will learn to: read alternative graphemes for /er/ e.g. ir, ear, ur, or read alternative graphemes for /ar/ e.g. a, al read alternative graphemes for /or/ e.g. au, aw, ar after w, oor, ore read alternative graphemes for /j/ e.g. g, ge, dge read alternative graphemes for /ch/ e.g. tch reading Y1 and Y2 common exception words e.g. poor, because, kind, find, mind, behind 	Homework Homework will be sent home each week via a homework book and consist of phonics, spelling and/or maths challenges. It will be sent out each Friday and needs to be completed by the following Wednesday. Please support and encourage your child when they are doing their homework, although it should primarily be their own work. All work will be checked by the class teacher and stamped with an Aim High Hippo. Your child would also significantly benefit from daily reading with you using the book sent home in their bookbag and/or Bug Club to reinforce the phonics and reading skills they are learning in school. The children can also access to Numbots. Please pop into the school office if you have forgotten these details.
