Edition 16: Friday 9th January 2026

Dear Parents and Carers

Welcome back to school. I hope that you had a good holiday with your family and that the New Year has started well.

Ben Obese-Jecty Visit

Today we welcomed into our school **Ben Obese-Jecty** who is the Conservative Member of Parliament for Huntingdon. He came to talk with **Mrs Vicky McGregor** and **Miss Charlotte Deaves** about our SEN Provision. Ben and his colleague **Ross Martin**, his Senior Parliamentary Assistant, met The CAM Trust CEO **Mrs Claire Heald**. It was also an opportunity for some of our wonderful parents to talk about their experiences. I am so grateful to **Miss Charlene Edwards**, **Miss Rachael-Louise Saunders**, and **Mr. Mark Bowkis** for their time.

OPAL

We love the children being outside but it is hard when it is wet. Please help by providing the children with appropriate clothing. Please pop in a pair of spare socks in case feet get wet.

Needed

Year 1 are making pine cone bird feeders at Forest School soon and we need **fir cones**, please!

Learning Leaflet & Enquiry Organiser

Hopefully you have seen the **Spring 1 Learning Leaflets and Enquiry Organisers** for your child's learning this half term. These documents will help you to support your child at home.

If you can offer any help, perhaps you have knowledge of an artist we are exploring or skills in DT or computing. Please let us know.

Events
