

Pupil Premium Plan for 2018-19

At the end of 2017-18 the leadership team recognised the hard work of the Pupil Premium Mentor but after careful analysis of the data decided that a review of spending needed to put in place. From research including a CPD opportunities with Lambeth Borough Local authority it was decided that school needed a Champion to lead and facilitate excellent outcomes for children in receipt of Pupil Premium.

Throughout the academic year for 2018-19 the Pupil Premium champion will oversee an action plan that involves all stakeholders to support the needs of these children.

Ambition statement

At Hartford Infant School, we provide inclusive and aspirational opportunities for all children, regardless of their socio-economic background so that every child has an equal chance to succeed as a lifelong learner. Alongside parents, all staff and governors will support children in a nurturing and affectionate environment. This encourages children to be confident, resilient individuals who can meet their full potential academically, emotionally and socially. We promote an 'I can' attitude where the sky is the limit!

School Allocation

Pupil Premium prediction from September 2018 until July 2019: £46,357.

How the funding will be spent:

This money will be used towards helping provide the following support for pupils:

- High quality teaching and Learning led by Pupil Premium champion [Assistant Head Teacher]
- Provision of Teaching Assistant support in classrooms to enable class teacher to support PP children with feedback and any interventions pertinent to child's barriers in learning
- Milk subsidy for those children who require it
- Subsidy of trips and clubs organised by school

	initiative	FTE	Personnel	Total cost
September 2018-August 2019 [12 months]	Ensure that high quality interventions and excellent teaching are standard. To strengthen the leadership of outcomes for disadvantaged pupils, with a leadership role having the focus of driving better outcomes across the school.	5 days	Assistant Headteacher	£33,000

	Payback to UIFSM for PP chn			£9,000
Total Expenditure for the Academic and Financial year 2018-19				£45,700

What we want to achieve with our PP funding

1. To provide a range of opportunities for PP children.
2. To raise attainment and narrow the gap in reading and writing.
3. To improve the emotional, social and mental health of PP children.
4. To investigate the levels of engagement with parents of PP children.
5. To improve the lateness, punctuality and attendance of PP children.
